Subject: Baby It's Cold Outside Charity Event

Hello Rosanne,

Would your company consider providing an auction item donation for our upcoming charity fundraising and awareness event?

For the past 14 years, Baby it's Cold Outside has organized winter clothing drives, advertised and solicited donations of winter clothes and toiletries from Albertans across the province. In response to the increase in homelessness across Alberta, we've increased efforts to supply Alberta's homeless shelters with much-needed supplies and to support the growing demand for basic-necessities.

These donations have been distributed to Alberta's homeless population through established homeless shelters. By collecting gently-used items and contributing to several larger shelters, we have been able to relieve the growing pressure due to the recent increase in homelessness. We have also, through our charity drives, been able to build greater awareness regarding homelessness throughout the province.

Our next annual fundraising event takes place on Saturday, September 8th, 2018 for 100 guests. It's an evening of music, silent auctions, food & drink and to increased awareness of the growing homelessness problem across our province. The money raised by the silent action will be donated in the form of basic-necessities to shelters across Alberta.

If you have any questions about the event, please do not hesitate to contact us at bcohelp@hotmail.com

Thank you for considering Baby It's Cold Outside

Kind regards,
Pamela Morgan
