### WHO BENEFITED FROM FCSS DOLLARS?

"Branches has been a huge help/impact on my life. It's because of these lessons that I finally had the courage to leave some toxic people."

"Volunteering at the Foothills Hospice has been absolutely life changing. I am SO grateful for this opportunity."

"The mother was smiling from ear to ear. She was so pleased to have the support from the team and was impressed with the collaborative effort from everyone."

"Although Arthur still faces struggles, he is so happy to be able to connect with his mentor every week. This trusting and reliable relationship with a caring adult has started to show him that despite great adversity, there are people in his life who are there for him."

"I learned a lot taking the Triple P Program and we love the great circle time songs!"

FCSS is about prevention. Programs enhance the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity.

FCSS is a cost sharing partnership between the Government of Alberta and the Town of Okotoks.
