

Dear the United Way/Okotoks Partnership Committee:

It is my regret that I send you this letter as my resignation from the United Way/Okotoks Partnership Committee, with my last date of Committee meeting participation Tuesday August 10, 2021.

I recently accepted a permanent full-time position with the Town of Okotoks and by-laws indicate that I cannot be a voting member as a Town of Okotoks employee, so resignation from the committee as an official member would need to be immediate.

I would like to support the completion of the Coupon Book initiative, and ask that I can remain as part of the committee as a volunteer, until such time the coupon book is complete.

Thank you

Chantel
