

## **ENVIRONMENTAL MASTER PLAN 2021 UPDATE**

### **Issue**

The Environmental Master Plan Progress Report is provided to Council for information.

### **Motion Proposed by Administration**

That the 2020 Environmental Master Plan Progress Report be received as information.

### **Report, Analysis and Financial Implications**

As directed by Council, Administration will report annually on the progress of master plans to provide greater understanding of actions towards long-term policies. Master plans are long-term (20+ years) plans that provide a future vision and key strategies that are to be achieved within that timeline. Due to the long-term nature of these plans, to achieve the outcomes desired, shorter term initiatives have been developed that require thoughtful cross-functional planning, time, capacity, and funding to achieve.

The Environmental Master Plan (EMP) was approved by Council on October 22, 2018. This progress report captures highlights of activities that contributed towards the strategies of each of the six (6) EMP goals in 2020, as well as next steps, including a few 2021 initiative highlights, and those activities that are off-track. It is important to note that a number of EMP targets have been refined and prioritized in the new Climate Action Plan that was approved by Council on March 22 2021.

### **Strategic Plan Goals**

|                                     |  |                                     |                                  |
|-------------------------------------|--|-------------------------------------|----------------------------------|
| <input type="checkbox"/>            | Manage Community Growth                  | <input checked="" type="checkbox"/> | Provide Strong Governance        |
| <input type="checkbox"/>            | Provide Quality Community Infrastructure | <input type="checkbox"/>            | Healthy and Safe Community       |
| <input checked="" type="checkbox"/> | Enhance Organizational Excellence        | <input type="checkbox"/>            | Foster Economic Vitality         |
|                                     |  | <input checked="" type="checkbox"/> | Promote Environmental Excellence |
