Okotoks Town Council

Madam Mayor and Council:

On March 15, 2022 our lovely home in Sheep River Cove was completely destroyed by fire. As it will be an extended period of time until we are able to rebuild our house, we are requesting that the building portion of our property tax be cancelled, as per town council policy statement GP-F-2.2 section 2, until such a time as we have a home to return to.

Sincerely yours,

Bruce MacDonald, Karon Friesen
