Subject: Resignation - Assessment Review Board Hearings

**** External Message ** - Please be cautious when opening links or attachments in email**

Good morning Patty;

After much consideration and looking at my schedule going forward, along with commitments imposed on me - I unfortunately and with much regret; must Resign from the Assessment Review Board.

This decision is not taken lightly because I enjoyed giving back to the community and assisting the Town of Okotoks.

If my commitments were less - I would be able to partake in the scheduled hearing, and cannot free up time specifically for the Assessment recertification retraining, which caused me to regretfully tender my resignation.

I enjoyed being on the Assessment Review, and appreciate the Town of Okotoks giving the opportunity.

By resigning now and well ahead of scheduled dates, will allow you to find a replacement
