Subject: 2022 Sheep River Health Trust Radiothon | Sponsorship Request!

**** External Message ** - Please be cautious when opening links or attachments in email**

Hi Rosanne,

Spring is in the air, which means we are gearing up for our 9th Annual **"Together We Make a Difference Radiothon"** with the Eagle 100.9 on **June 23, 2022**. To help us reach this year's goal of **\$70,000** raised, we are asking again for YOUR support! The Sheep River Health Trust currently has a waiting list of funding requests over \$50,000, and your generous sponsorship dollars will help support local Seniors, Children & Youth, Babies & Families, Medical Equipment purchases, Community Care Programs, and other Capital projects.

How can you help? Attached is a package with more details on how to get involved in this exciting event for our community, and what we are able to offer in return for your partnership! The package includes a detailed review of the different levels of sponsorship for Radiothon available, so you can determine which opportunity is the best fit for you and your organization. In addition, you will find it highlights some of the projects and organizations that the \$431,000 raised in the past 8 years has helped to fund in our community.

I will be sure to reach out in the coming weeks to see if you have any questions, but feel free to contact me in the meantime 😊

Thank you for your time and your continued support,

Michelle Heberton
