

BYLAW 11-23 – WATER BYLAW 23-21 AMENDMENT

Purpose

The purpose of Bylaw 11-23 is to amend Water Bylaw 23-21 by deleting charges, and adding reference to the Fees, Rates, and Charges Bylaw.

Readings

This Bylaw is ready for three readings.

Report, Analysis and Financial Implications

To ensure rates and charges are accurately reflected including them in the Fees, Rates, and Charges Bylaw only is a best practice.

Section 11.4.1 and 11.4.2 in Water Bylaw 23-21 contains a charge for issuance of a 'notice to enforce payment' and an administrative charge to transfer outstanding utility account balance amounts to the property tax roll respectively. Amending these sections to reference the Fees, Rates, and Charges Bylaw eliminates the need to amend the Water Bylaw each time a new charge is adopted.
