

**PROTECTIVE SERVICES 2024 FIRST QUARTER REPORT**

**Issue**

The Protective Services 2024 First Quarter Report is provided to Council for information.

**Motion Proposed by Administration**

That the Protective Services 2024 First Quarter Report be received as information.

**Report, Analysis and Financial Implications**

A more streamlined approach to the reporting from the three branches of Protective Services is being implemented and will be provided to Council for information on a quarterly basis.

This report will contain statistics and reporting from Okotoks Fire & Rescue, Okotoks Municipal Enforcement, and the Okotoks RCMP Detachment. This inaugural report however will not contain any reporting from Okotoks Fire & Rescue as that branch has already reported monthly on the First Quarter of 2024, therefore when the Second Quarter (April-June) is reported to Council in August, those statistics will be included at that point.

**Strategic Plan Goals**

<input type="checkbox"/>	Responsibly Managed Growth	<input type="checkbox"/>	Demonstrated Environmental Leadership
<input type="checkbox"/>	Strong Local Economy	<input checked="" type="checkbox"/>	Enhanced Culture & Community Health
<input checked="" type="checkbox"/>	Organizational Excellence		

**Equity/Diversity/Inclusivity Impacts and Strategy**

**CAO Comments**

2024 marked the first year that a joint consultation was done for the development of the Annual Performance Plan including both RCMP and Municipal Enforcement. As the community has identified priorities for both teams, this report will now be reported on jointly so that overall community impact can be shown.
