

FIELD HOUSE UTILIZATION AND FUTURE PLANNING

Issue

A utilization and future planning study of the Cavalry Regional Field House has been completed and is presented to the Intermunicipal Committee.

Motion Proposed by Administration

That the Intermunicipal Committee accept the report and presentation on the utilization and future planning for Cavalry Regional Fieldhouse as presented.

Report, Analysis and Financial Implications

The Town of Okotoks (ToO) and Foothills County (FC) jointly own the Cavalry FC Fieldhouse, which opened in 2014 and is directed by the Foothills Okotoks Recreation Society and operated by Nustadia Recreation.

As the facility is now 10 years old and some major capital items such as the artificial turf is reaching end of life, a utilization and future planning review was directed to be undertaken at the June 6, 2023 meeting of the Intermunicipal Committee.

A consultant was enlisted to review current service levels and allocation utilization of the Cavalry FC Fieldhouse to develop recommendations that maximize facility usage; create a prioritized project list; and provide updated shadow planning and phasing for expansion of the facility (indoors and/or outdoors) that builds upon the Society's objectives and the needs of both municipal partners.

Attachment(s)

1. Cavalry Fieldhouse presentation
2. Cavalry Fieldhouse study
