

Dear Town of Okotoks,

We are reaching out on behalf of Lymphoma Canada regarding a special lighting request for the Municipal Building on September 15, 2024, in honour of World Lymphoma Awareness Day. This annual event aims to raise awareness about lymphoma cancer, which is the 5th most common type of cancer in Canada. As the only Canadian organization dedicated solely to lymphoma, this day holds significant importance for us.

We kindly request that the Municipal Building be illuminated in purple on September 15th to mark this occasion. By lighting the monument, you will help us and the global lymphoma community shine a light on this critical issue and support those affected by lymphoma. Lymphoma Canada will actively promote the lighting through our social media channels, email communications to our community, and on our website. Additionally, we will highlight this event within the global patient network, the Lymphoma Coalition. We are also making similar requests to several other iconic Canadian landmarks, ensuring widespread visibility and impact including (but not limited to) the following:

- BC Place
- CN Tower
- Niagara Falls
- Calgary Tower

Our website and social media accounts can be found using the following links:

Website: <https://www.lymphoma.ca/>

Facebook: Lymphoma Canada / <https://www.facebook.com/LymphomaCanada>

Instagram: lymphomacanada / <http://instagram.com/lymphomacanada>

X: LymphomaCanada / <https://x.com/lymphomacanada>

LinkedIn: <https://www.linkedin.com/company/lymphoma-canada/>

We will also be using the following hashtags for this awareness activity:
#WLAD2024, #WorldLymphomaAwarenessDay and #LymphomaCanada

Thank you for considering our request. Your support would greatly contribute to our efforts in raising lymphoma awareness and making a difference in the lives of the over 100,000 Canadians living with lymphoma.

Kind regards,

Lymphoma Canada Team

Proclamation, Lighting or Flag Request at the Municipal Centre
