Good day Mayor Tanya Thorn,

I hope this message finds you well. My name is Karima Cherifi, and I am reaching out on behalf of the Canadian Green Sports Day initiative. We are excited to announce an inspiring campaign that aims to bring sports communities together across Canada for a common cause - promoting environmental awareness and sustainability through sports.

On October 6, we will be celebrating Green Sports Day, a momentous occasion dedicated to showcasing the sports industry's commitment to protecting our planet. As part of this campaign, we are inviting municipalities across Canada in proclaiming October 6th as Green Sports Day and by illuminating their facilities in vibrant green lights, symbolizing our collective dedication to building a greener, more sustainable future through sport.

Our mission for Green Sports Day is to harness the power of sports to drive positive environmental change and unite athletes, fans, and communities worldwide to take action against climate change. By transforming buildings into beacons of green, we hope to inspire millions and send a powerful message of unity and responsibility for our planet's well-being.

We will feature your venue and proclamation on our official website and social media channels, showcasing your dedication to environmental responsibility and acknowledging your contribution to this global movement.

Thank you for considering participation in Green Sports Day. Together, we can make a significant difference in preserving our planet for future generations. If you have any questions or need further information, please feel free to reach out to us at the contact information provided
