

GP E 2.1 PROGRAM AND SERVICE LEVEL REVIEW POLICY AMENDMENTS

Issue

Amendments to GP E 2.1 Program and Service Level Review Policy are required to reflect service level changes if approved for the 2025 budget.

Motion Proposed by Administration

That Appendix A of GP E 2.1 Program and Service Level Review Policy be amended to reflect the service level changes for dog licensing, business licensing and garbage and recycling pick-up as presented.

Report, Analysis and Financial Implications

As proposed through the 2025 budget considerations and discussions, the service level changes if approved for the 2025 budget need to be reflected in Appendix A of GP E 2.1 Program and Service Level Review Policy.

Changes in services levels for 2025, if approved, include:

- removal of annual dog licensing fees;
- change to a standardized garbage and recycling cart size of 240L and bi-weekly cart pick-up; and
- change to business licensing requirements.

Alternatives for Consideration

Status quo and no changes made to service levels for the 2025 Budget.

CAO Comments

These service level changes are required to be consistent with the adjustments approved in the 2025 budget.
