Mr. Greg Clark
Board Chair
Calgary Metropolitan Region Board
Suite 430, 340 12th Avenue Southwest
Calgary, AB T2R 1L5

Dear Mr. Clark:

I am aware that on February 7, 2025, the Calgary Metropolitan Board (CMRB) passed a motion to wind down its operations.

I have signed the attached Ministerial Order MSD:017/25, which rescinds the approval of the CMRB's Regional Evaluation Framework and Growth Plan, immediately suspending the requirement for CMRB members to submit new or amended statutory plans to the CMRB for approval.

I acknowledge and understand the desire to have the CMRB Regulation repealed by May 1, 2025, to address remaining matters related to the winding down and dissolution of the CMRB. It is my intent to recommend to Cabinet that the regulation be repealed effective May 1, 2025, consistent with the CMRB's recommendation.

I am hopeful that Calgary region municipalities will continue to collaborate with one another and build upon the positive relationships cultivated through their work together on the CMRB.

Sincerely,

Ric McIver
Minister
