Subject: Speed on 48th Street.

To Whom it may Concern,

I am a resident in Okotoks Ranchers Rise, my name is [REDACTED], along with many others, are extremely concerned with the current speed limit of 80kms/hr on 48th Street.

Unfortunately people are not doing 80kms/hr... it's 100 or 120 kms/hr for the most part. I feel like we back a freeway. Please understand the major safety concerns we as residents have, for one, people are not doing 80kms/hr, they are going much faster. Secondly, even at 80 kms/hr, we have a chain link fence separating us & our children playing in the backyard from a car flying along. If they were to go off the road or have an accident our kids out back would not stand a chance.

Please take this concern that we as residents have, very seriously. It is just a matter of time before something tragic happens.

Please let me know if I or any of our neighbours can do anything to make these changes happen quickly.

Thank you,
[REDACTED]
