

DISCLOSURE OF CLOSED ITEMS

Information Release

Under section 197 of the *Municipal Government Act* and within the provisions of the *Freedom of Information and Protection of Privacy Act (FOIP)*, Council and Council Committees can discuss confidential matters in a closed meeting. Once the provisions protecting the disclosure of information discussed are no longer applicable under *FOIP* (e.g. land negotiations) the information may be released. Under the recent changes to the Town of Okotoks' Procedure Bylaw, Council provided the timely method of release of closed session Council meeting reports. This process is set out under the Bylaw, to be released under the Consent Agenda provisions as part of Council Agenda packages.

These documents have also been published on the Town of Okotoks website at okotoks.ca/confidential-information-release.
